

Instrument for injured divers

1. General information about the interviewees.
2. Are you aware of the lawsuit that the Buzos Miquitos won against the State of Honduras? Please explain.
3. Did the company you worked for support you, finance your treatment and compensate you? Assess degree of satisfaction.
4. Do you know the UN Guiding Principles on Business and Human Rights¹? The second pillar is the responsibility of companies to respect human rights and the third pillar refers to the access to reparations by individuals in case the State or company has violated any of their rights. Have these principles been applied in your case?
5. Are you aware of the stories about Iliwa Mairin and Praidey Saihka, and how this affected your diving work? Are you aware of other beliefs that occur in diving activities?
6. Can you tell me if human rights were affected when the accident occurred? When you were referred to the Hyperbaric Chamber, did anyone accompany you and pay the costs? Was a file on your case made at the labour department?
7. What recommendations would you give us to prevent further accidents related to industrial spearfishing?
8. Have you received support from the State? Please specify which institutions.
9. Do you consider that the enjoyment of your human rights was affected, please explain?
10. Anything you think should be added.
